I. Review of the May 13, 2025 Meeting Minutes

The minutes of the May 13, 2025 meeting were presented to the Committee members in advance for review.

Motion to approve (Kajon/Sharpe) Mack abstains, motion pass as written.

II. Old Business

None at this time.

III. New Business

FY25-124 Efficacy of a Novel Hemostatic Agent in a Mouse Model of Traumatic Brain Injury (TBI) -Denis Bragin; after review of the protocol it was determined that the research had no recombinant nucleic acid component associated with it and thus the IBC was not required to review it under NIH Guidelines. A motion to strike the review of the protocol from the agenda was made by Revelli with a second by Kajon. The motion passed unanimously. No abstentions were made.
